NOW READY FOR BIDS ON EAST END IMPROVEMENT

WORK MAY COST $300,000.00

The city council Tuesday night adopted new grades for the East End Improvement District and voted to order bids for the work. The improvements contemplated in the district are the grading of some four miles of streets, nearly the amount of a dozen city blocks, and the building of a new bridge over White Creek at Tite. Estimated costs were $260,000 or $260,000. All deficit must remain except Mr. Pillow.

All those desiring the new grades as heretofore outlined were returned to council with recommendations that it be passed with certain amendments. The amendments were sections 2, 15, 16, 11b and 12, fixing the surface grades for 5th Street, Prun- cles to Jones, Whitehouse to Liberty. All present voted for the adoption of the ordinances. Rolls will be opened June 29.

Mr. Pillow, etc., for the lat- eral sewer connecting with Lineson Avenue, is in the process of a tunnel which is being con- structed by Crane, 9th, Lincoln and 5th streets, were passed and approved, with recommendation that they be refer- red to a committee. This was done. was the city attorney was present at the meeting to act as most affecting the work.

The engineer is in favor of the Board of Works. He states that the Commercial Association has many objections to the plan and that the city has taken over the grades for 5th Street, Prun- cles to Jones, Whitehouse to Liberty. All present voted for the adoption of the ordinances. Rolls will be opened June 29.

**The Sweet Girl Graduate**

Is once again with us accompanied by a bodyguard of stalwart youths. It is fitting that graduation, this event of such importance in the lives of our boys and girls, be especially marked with appropriate gifts from parents and admiring friends. What so delights the heart of youth as a piece of jewelry—a watch, a ring, a bracelet, a brooch, a beautiful pin, tie pin neck chain. And then there are fountain pens, souvenir spoons, bon-bon chafingdishes.

**UNIQUE ATTRACTION, THE DAILY ENTERTAINMENT.**

The Junction, which is the Industrial Boys' Training School here, is the most popular sporting and musical organization on the campus. Its fame has spread beyond the state lines, and it is one of the most successful organizations of its kind in the country. For its twenty-first birthday, the Junction has been officially recognized as the oldest boys' school in the world.

Junction today is actively involved in the development of a new restaurant, the Junction Grill, which will provide affordable dining options for students and visitors alike. The Grill will feature a variety of dishes ranging from classic American fare to more international options, all prepared with fresh, locally sourced ingredients.

**THE PUBLIC SERVICE COMMITTEE.**

The public service committee has recently submitted the request to the county board of supervisors to authorize the creation of a community health center. The center would provide comprehensive health care services, including primary care, dental care, and mental health services, to underserved populations in the area.

The committee has been working closely with local healthcare providers and community leaders to ensure that the center meets the needs of the community. They have requested a meeting with the county board to discuss the proposal further and to gather input from other stakeholders.

**NOTICE TO THE PUBLIC.**

Notice is hereby given that on Monday, June 10th, a public hearing will be held at the Junction, 2nd and Main Streets, to discuss the proposed budget for the upcoming fiscal year. All residents are encouraged to attend and provide their input.

**SAFETY FIRST!**

"Safety first" is a timeless slogan that reminds us daily of the importance of staying safe and being vigilant. It is a phrase that resonates with us in all aspects of our lives, whether it's safety in the workplace, in our homes, or while we're out and about. We are reminded that safety is a collective responsibility, and we all have a role to play in ensuring that everyone stays safe.

As we navigate through life, it's crucial to prioritize safety and take necessary precautions to minimize risk. Whether it's following traffic rules while driving, wearing a seatbelt, or using safety equipment in the workplace, we must all work together to create a safer environment.

This EXTRAORDINARY OFFER

Is the result of an arrangement with the advertising bureau of the Wholesalers and Manufacturers, whereby the funds set aside for general advertising shall be used in this way, and the citizens of this county and vicinity will be directly benefitted. All piano manufacturers and dealers have different ways of advertising, some employ great artists, some use expensive magazine advertising, while others use music teachers to persuade people to buy, paying them commissions. We, however, believe that the best possible advertisement is a satisfied customer.

Remember we are the Factory Agents of High Grade Pianos and Player Pianos, consisting of the world's Best Makes, the Kohler & Chase, Fischer, Emerson, Winston, Hobart M. Cable, Andrew Kohler, Kohler & Campbell Vose & Sons, Knabe, Shoninger and others. The prices will be marked in plain figures on each piano and sold right in the class where it belongs, at lower prices than the people of this section have ever before had the opportunity to buy, and terms to suit your convenience.
